Mail Stop Non-Fee Amendment  
Commissioner for Patents

Dear Sir:

This evening at 9:29 PM EST I attempted to fax the enclosed Amendment to the Patent Office, but all 18 pages were not received. As you can see from the attached Auto-Reply Facsimile Transmission, only five pages were successfully received. In an effort to avoid further frustrations and complications, I elected to mail the Amendment instead, adding the Certificate of Mailing to the amendment, which caused the page count of the Amendment to increase from 17 pages to 18 pages. I apologize for the inconvenience! Please call me at the number below if there are any questions or problems.

Respectfully submitted,

---
